# Ohio Department of Job and Family Services CHILD MEDICAL/PHYSICAL CARE PLAN FOR CHILD CARE

A separate plan must be written for each condition that requires different actions to be taken and must be kept at the program for at least one year.

<ul> <li>This form shall be completed when a child has a condition that requires one of the following:</li> <li>Monitoring the child for symptoms which require staff to take action</li> <li>Ongoing administration of medication or medical foods</li> <li>Procedures which require staff training</li> <li>Avoiding specific food(s), environmental conditions or activities</li> <li>School-age child to carry and administer their own emergency medication</li> </ul>
If the medication or medical food is documented on this form, then a JFS 01217 is not required.
Child's Name
Special Health Condition
Does this health condition require medication or medical food?
A. What are the signs, symptoms, or situations which require staff to take action?
B. What are the activities, foods, environmental conditions, etc. to avoid? 🗌 Not applicable
C. What are the training instructions for the procedures staff have to follow? (include all steps to care for the child/perform the medical procedure)

## Part II: Conditions Requiring Medication or Medical Food

#### <u>Completed by Licensed Physician, Licensed Dentist, Advanced Practice Registered Nurse, or Certified Physician's</u> <u>Assistant</u>

(If no medications or medical foods are required for the condition, skip Part II).

If a non-prescription medication does not meet any of the items 1-5 below, the parent can complete Part II.

Part II must be completed by or separate instructions attached from a Licensed Physician, Licensed Dentist, Advanced Practice Registered Nurse, or Certified Physician's Assistant when any of the following apply:

1. The (prescription or non-prescription) medication contains codeine or aspirin

- 2. Instruction is needed for the (prescription or non-prescription) medication
- 3. The child does not meet the minimum age or weight requirements as listed on the label instructions on the (prescription or non-prescription) medication
- 4. The (prescription or non-prescription) medication is to be given longer than three consecutive days within a fourteen-day period
- 5. The intended use differs from the manufacturer's instructions or use

## Part IV: Documentation of Administration of Medication or Medical Food

### Completed by child care staff member, family child care provider or in-home aide for the child listed on this form

All medication or medical food must be documented when administered. Document each medication or medical food on its own page. Incomplete information elevates the level of risk to children. If more than one medication or medical food is needed, make a copy of this page for each medication or medical food.
